Prayer at the Flagpole

Join other students each morning at 7:50 am to pray together at the flagpole. Jessica is leading out again this year and would love to have as many of you join her as possible.

Hot Lunch

You now can order your hot lunch online through mywwva.org account. It does need to be ordered by 9am the day of the lunch. You can also order in advance so you do not need to worry about it at the last minute. After a couple weeks the orders will only be done online.

COVID Updates

As we complete our second week of school, we want to thank you for your continued cooperation with the daily health checks and temperature checks. We appreciate the precautions that many of you have taken if you feel a bit under the weather for various reasons. We hope to be back to school as usual eventually, but meanwhile, please continue to stay 6ft away and wear your mask. It has been great having everyone here, even though we are not the same as we were before.

Walla Walla Valley Thrift

WWVA is blessed to have the support of an additional thrift store. This non-profit has committed to help WWVA students with additional labor and student aid. The store is looking for another adult to work 4-6 pm during the week. Just contact Ed Shinner at 509-520-1187

They are accepting donations as well. The address is 916 Main st in Milton-Freewater.
