Parent/Teacher Conf.

Parent/Teacher conferences are scheduled for Monday from 12-7. If you would like to meet with a teacher please sign up ahead of time. Because of COVID we want to make sure we spread everyone out and have a time slot for everyone instead of waiting in line. We will have the self schedule links in the email so you can pick a time that works for you. You can also email the teachers and set up a different day that may work better or just communicate via email if that works best.
